Our Big Sale Now at Full Speed

We're reminded of a fast railroad train, as our great before-consolidation sale nears the close of its second week.

We have seen the relatively moderate start, the swift and steady acceleration of motion, and then the tremendous onrush which well-nigh annihilates

So it has been with this great dispersal of home outfittings; and at this moment the selling is maintaining its magnificently high level of activity with strength and steadiness from day to day, in these twelve great departments:

Furniture, Bedding, Carpets, Rugs, Linoleums, Oilcloths, China, Glassware, Lamps, Pictures, Upholsteries & Kitchen Supplies

Extensive as the distribution is, however, it is fair to state that ASSORT-MENTS ARE STILL UNBROKEN.

Any one who will think a moment will understand that a good deal more than a fortnight's selling-even extraordinary selling such as this has beenis required to "break" lines of earefully-selected staple goods running into many hundreds of thousands of dollars in value.
